†B.B@university.edu

‡C.C@university.edu

§D.D@university.edu

¶E.E@university.edu

Place text and mathematical description here Figueredo and Wolf (2009)

## Supporting Algorithm(s)/Code

Matlab (or other) Code here. Not all TechDocs will have code or supporting algorithms. Those that do not should delete this heading and section. Code should be self-documenting and in the form of a function if and when possible.

Sample of matlab code:

```
a = 1; % MATLAB comment  
b = 2;  
c = a^2 + b^2;
```

## References

Figueredo, A. J. and Wolf, P. S. A. (2009). Assortative pairing and life history strategy - a cross-cultural study. *Human Nature*, 20:317–330.

References go here unless included in footnotes. Footnotes should be kept to a minimum, however, so if there are many references, a reference section is preferred.

Not all Working papers will have code or references. Those that do not should delete this heading and section
