I. INTRODUCTION

1 Overview

This is a sample document to guide you in the MS thesis format at Sejong University. With most articles being written in Latex, I wonder why there is no template available. So, I created one. You can use this as a template and change it however you like. Note that there are three different examples shown at <https://sejong-kr.libguides.com/c.php?g=930661&p=6770589> currently.

1.1 Printing

Although the university required 18.5x25.5cm paper size, some print shops expected an A4 size. If this happens, you can change `sju.cls:6-7` to

```
\RequirePackage{geometry}  
\geometry{a4paper,top=5.7cm, bottom=4.2cm, left=2.5cm, right=5.0cm}
```

1.2 Sample Figure

1.2.1 A Sample Subsubsection

The subsubsection is not in bold.

II. REFERENCE SAMPLE

This is a sample citation using IEEE format [1].
