GRAPHICS

НАЦИОНАЛЬНЫЙ ИССЛЕДОВАТЕЛЬСКИЙ
ТОМСКИЙ ПОЛИТЕХНИЧЕСКИЙ УНИВЕРСИТЕТ

Pictures

Pictures can be placed like in every \LaTeX document

Package `multicol` is useful for side-by-side composition

There are several pictures provided by TPU as backgrounds for slides, look at `beamerinnerthemetpu.sty` to learn more

Icons

TPU provides icons for most popular social networks. These can be seen used on the 'Contacts' frame. Example of usage:

 @tpu

Icons not related to social networks can be found on the TPU website
